Lunch, Raffle & Great Conversation! | MLS# 2347829

I would love you to join me for lunch & a look at this custom-built home on the market for the first time! Stunning panoramic views of Sinclair Inlet, Mt. Rainier, and Port Orchard—best enjoyed on the deck. Nestled on a beautifully landscaped 1/3-acre lot, this home offers an open-concept kitchen, spacious living area, office, and serene primary suite, all on the main level. The daylight basement offers a generous great room, two additional bedrooms, ¾ bath, abundant storage, and a versatile bonus room—perfect for a workshop or second kitchen. Ideally located near the Bremerton ferry, naval yard, and Hwy 16—would love to get your professional feedback.
