Celebrating
★★50★★
Great Years!
1973 - 2023

***Do you want a professional unbiased
septic inspection report?***

Then call or email **Sultan Pumper** today
(800) 606-5645 or (360) 794-9184
sultanpumper@hotmail.com

We are not installers looking to upsell you on things you don't need.

We are the only septic company in Washington who specialize in cleaning
and inspecting the septic system, not repairs or installations!

So remember to make Sultan Pumper your #1 call when you need a septic inspection!

Snohomish County Septic Inspection

(\$350) with the purchase of a regular pumping in Snohomish County

Please be sure to view your inspection report online at onlinerme.com

This promotion does not apply to pumping and/or certifications in King County.

\$650.00* + tax (an industry low price)

*Price is to clean a 1,000 gallon septic tank in Snohomish County, with the lids completely exposed
PRIOR to our arrival and anything over 1,000 gallons is \$0.65/gallon.

We are OSM Certified!

***No septic company in the State of Washington has a website like ours!
It is the most advanced septic website when it comes to teaching the
public about the importance of their septic system.***
